

Introduction

Welcome to the College of Medicine! The Faculty and Staff are excited to have you here and hope to make your four-year journey from college student to physician an enjoyable as well as an intensely educational experience. The material found in this Handbook should help to smooth out the initial phases of this transition as well as provide useful information for the years ahead. Please read it carefully and refer to it often.

USA College Of Medicine Mission Statement

As a diverse community focused on the science and practice of medicine for Alabama, the Central Gulf Coast, and beyond:

We educate, We discover, We serve.
